Forward-Looking Statements

This document contains forward-looking statements that involve risks, uncertainties and assumptions. If the risks or uncertainties ever materialize or the assumptions prove incorrect, the actual results of Stratasys Ltd. and its consolidated subsidiaries (“Stratasys”) may differ materially from those expressed or implied by such forward-looking statements and assumptions. All statements other than statements of historical fact are statements that could be deemed forward-looking statements.

Such forward-looking statements include statements relating to the proposed transaction between Stratasys and Desktop Metal, Inc. (“Desktop Metal”), including statements regarding the benefits of the transaction and the anticipated timing of the transaction, and information regarding the businesses of Stratasys and Desktop Metal, including expectations regarding outlook and all underlying assumptions, Stratasys’ and Desktop Metal’s objectives, plans and strategies, information relating to operating trends in markets where Stratasys and Desktop Metal operate, statements that contain projections of results of operations or of financial condition and all other statements other than statements of historical fact that address activities, events or developments that Stratasys or Desktop Metal intends, expects, projects, believes or anticipates will or may occur in the future. Such statements are based on management’s beliefs and assumptions made based on information currently available to management. All statements in this communication, other than statements of historical fact, are forward-looking statements that may be identified by the use of the words “outlook,” “guidance,” “expects,” “believes,” “anticipates,” “should,” “estimates,” and similar expressions. These forward-looking statements involve known and unknown risks and uncertainties, which may cause Stratasys’ or Desktop Metal’s actual results and performance to be materially different from those expressed or implied in the forward-looking statements. Factors and risks that may impact future results and performance include, but are not limited to those factors and risks described in Item 3.D “Key Information - Risk Factors”, Item 4 “Information on the Company”, and Item 5 “Operating and Financial Review and Prospects” in Stratasys’ Annual Report on Form 20-F for the year ended December 31, 2022 and Part 1, Item 1A, “Risk Factors” in Desktop Metal’s Annual Report on Form 10-K for the year ended December 31, 2022, each filed with the Securities and Exchange Commission (the “SEC”), and in other filings by Stratasys and Desktop Metal with the SEC. These include, but are not limited to: factors relating to the partial tender offer commenced by Nano Dimension Ltd. (“Nano”), including actions taken by Nano in connection with the offer, actions taken by Stratasys or its shareholders in respect of the offer and the effects of the offer on Stratasys’ businesses, or other developments involving Nano, the ultimate outcome of the proposed transaction between Stratasys and Desktop Metal, including the possibility that Stratasys or Desktop Metal shareholders will reject the proposed transaction; the effect of the announcement of the proposed transaction on the ability of Stratasys and Desktop Metal to operate their respective businesses and retain and hire key personnel and to maintain favorable business relationships; the timing of the proposed transaction; the occurrence of any event, change or other circumstance that could give rise to the termination of the proposed transaction; the ability to satisfy closing conditions to the completion of the proposed transaction (including any necessary shareholder approvals); other risks related to the completion of the proposed transaction and actions related thereto; changes in demand for Stratasys’ or Desktop Metal’s products and services; global market, political and economic conditions, and in the countries in which Stratasys and Desktop Metal operate in particular; government regulations and approvals; the extent of growth of the 3D printing market generally; the global macro-economic environment, including headwinds caused by inflation, rising interest rates, unfavorable currency exchange rates and potential recessionary conditions; the impact of shifts in prices or margins of the products that Stratasys or Desktop Metal sells or services Stratasys or Desktop Metal provides, including due to a shift towards lower margin products or services; the potential adverse impact that recent global interruptions and delays involving freight carriers and other third parties may have on Stratasys’ or Desktop Metal’s supply chain and distribution network and consequently, Stratasys’ or Desktop Metal’s ability to successfully sell both existing and newly-launched 3D printing products; litigation and regulatory proceedings, including any proceedings that may be instituted against Stratasys or Desktop Metal related to the proposed transaction; impacts of rapid technological change in the additive manufacturing industry, which requires Stratasys and Desktop Metal to continue to develop new products and innovations to meet constantly evolving customer demands and which could adversely affect market adoption of Stratasys’ or Desktop Metal’s products; and disruptions of Stratasys’ or Desktop Metal’s information technology systems.

These risks, as well as other risks related to the proposed transaction, are included in the registration statement on Form F-4 and joint proxy statement/prospectus that has been filed with the Securities and Exchange Commission ("SEC") in connection with the proposed transaction. While the list of factors presented here is, and the list of factors presented in the registration statement on Form F-4 are, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. For additional information about other factors that could cause actual results to differ materially from those described in the forward-looking statements, please refer to Stratasys' and Desktop Metal's respective periodic reports and other filings with the SEC, including the risk factors identified in Stratasys' and Desktop Metal's Annual Reports on Form 20-F and Form 10-K, respectively, and Stratasys' Form 6-K reports that published its results for the quarter ended March 31, 2023, which it furnished to the SEC on May 16, 2023, and Desktop Metal's most recent Quarterly Reports on Form 10-Q. The forward-looking statements included in this communication are made only as of the date hereof. Neither Stratasys nor Desktop Metal undertakes any obligation to update any forward-looking statements to reflect subsequent events or circumstances, except as required by law.

No Offer or Solicitation

This communication is not intended to and shall not constitute an offer to buy or sell or the solicitation of an offer to buy or sell any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made, except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended.

Important Additional Information

In connection with the proposed transaction, Stratasys filed with the SEC a registration statement on Form F-4 that includes a joint proxy statement of Stratasys and Desktop Metal and that also constitutes a prospectus of Stratasys. Each of Stratasys and Desktop Metal may also file other relevant documents with the SEC regarding the proposed transaction. This document is not a substitute for the joint proxy statement/prospectus or registration statement or any other document that Stratasys or Desktop Metal may file with the SEC. The registration statement has not yet become effective. After the registration statement is effective, the definitive joint proxy statement/prospectus will be mailed to shareholders of Stratasys and Desktop Metal. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT, THE JOINT PROXY STATEMENT/PROSPECTUS AND ANY OTHER RELEVANT DOCUMENTS THAT MAY BE FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THESE DOCUMENTS, CAREFULLY AND IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION. Investors and security holders will be able to obtain free copies of the registration statement and definitive joint proxy statement/prospectus and other documents containing important information about Stratasys, Desktop Metal and the proposed transaction, once such documents are filed with the SEC through the website maintained by the SEC at <http://www.sec.gov>.
